5. **DESCRIPTION OF PROCEDURES:**
 - A. **Preparation of the Visiting List:**
 1. Upon admission to the FCI and SCP, each inmate will be given a Visitor Information Sheet to be completed and returned to the Unit Counselor for final approval. The inmate will be required to forward the Visiting Regulations and the Visitor Information Sheet to the proposed visitors. The Visitor Information Sheet with a signed release authorization form must be returned to the Unit Counselor by the proposed visitor prior to any further action concerning the visit. Upon receipt of the completed authorization form, the Unit Counselor will initiate a National Crime Information Center (NCIC) inquiry. NCIC inquiries which result in denial of visitation will be retained in the FOI section of the inmate's central file with the visitor's information sheet.

2. After the appropriate investigation, the Unit Counselor will enter the required information into the Visiting Program on the LAN System. The Unit Team members will be the only staff authorized to place a visitor on an inmate's approved visiting list. A hard copy of the visiting list will be placed in the inmate's central file and at the Front Entrance Officer's station. The Unit Counselor will notify the inmate of those visitors who have been approved. Normally, a maximum of twenty (20) visitors will be authorized on the inmate's visiting list.

The Unit Counselor will forward the Visitor Information Sheet with a signed release authorization form at government expense for any inmate found to be indigent, according to Program Statement 2000.02, Accounting Management Manual. Visiting Regulations have been incorporated in the Admission and Orientation Handbook. The handbook is provided to all inmates entering the facility.

3. The Unit Counselor will periodically review the visiting list to ensure its accuracy. The list may be amended by the inmate's submission of an Inmate Request to Staff Member form to his Unit Team indicating the desired change.

B. Regular Visitors:

1. Members of the Immediate Family: These include mother, father, step-parents, foster parents, brothers, sisters, spouse, and children. These individuals are to be placed on the visiting list if identified in the inmate's Pre-sentence Investigation and upon completion of an NCIC check. However, the inmate will initiate the visitor form, and the form must be returned to the institution before the NCIC check is initiated.

The word "spouse" includes a common-law relationship previously established in a state honoring such a relationship. The word "children" refers to any child of an inmate, to include a child born out of marriage. An inmate who has provided the name of a common-law relation must forward verification documentation to his Unit Team for their use. This may include, but is not limited to, joint leases or contracts; joint banking accounts; or, utility bills with both parties named. The inmate's Unit Team will review the material and place the common-law relation on the visiting list once the relationship is verified.

2. Other Visitors: A completed Information Questionnaire and Release Form will be required prior to consideration for approval. Visiting privileges usually will be extended to friends and associates having established a relationship prior to confinement unless such visits could reasonably create a threat to the security and good order of the institution.
3. Business Visitors: The Case Manager will be responsible for verifying any potential visitor as a former business associate of the inmate, meeting the criteria outlined in BOP policy. The Unit Manager will then approve/disapprove the visit and enter appropriate documentation in the inmate's central file.
4. Consular Visitors: Whenever it has been determined that an inmate is a citizen of a foreign country, the Warden will permit the consular representative of that country to visit on matters of legitimate business.

5. Visits from representatives of Community Groups: The Warden may approve as regular visitors, for one or more inmates, representatives from community groups such as civic and religious organizations, or other persons whose interests and qualifications for this kind of service are confirmed by staff.

- C. **Special Visits:** Inmates must submit a special visit request to their Unit Team at least one day in advance of the visiting date. Visits from persons not on the approved list must be approved by the Unit Manager. Upon approval, the Unit Manager will notify, in writing, the Operations Lieutenant, Front Lobby, and the Visiting Room Officer of the special visit. The Unit Team will also enter the information into the Visiting Program on the LAN System. This information must be entered prior to allowing the visitors entrance into the institution. If this information is not entered, then Unit Staff will be contacted concerning the visit and will take the appropriate action to either allow the visitor to enter or deny the visit. Special visit requests will be highly scrutinized and held to a minimum. Only requests with extenuating circumstances will be considered.

IF AN ATTORNEY REPORTS TO THE INSTITUTION FOR AN ATTORNEY/CLIENT VISIT DURING NORMAL VISITING HOURS, THE ATTORNEY MUST BE ON THE INMATE'S APPROVED VISITING LIST, UNLESS A MEMORANDUM HAS BEEN PROVIDED BY THE INMATE'S UNIT TEAM. THIS MEMORANDUM IS TO BE APPROVED BY THE CAPTAIN. IF AN ATTORNEY WISHES TO VISIT AN INMATE DURING NON-VISITING HOURS, THE UNIT TEAM MUST APPROVE AND SUPERVISE THE VISIT.

- D. **Clergy Visits:** Clergy visits to inmates are approved through the Religious Services Department. Clergy visits will be verified by the Chaplain, and the visits will be approved for certain days during regular hours in the Visiting Room. A Chaplain will issue an authorization memo for each visit. A copy of this memorandum will be provided to the Lieutenants' Office, Front Lobby, and the Visiting Room Officer. When the Clergy arrives, he/she will be checked in as expeditiously as possible, utilizing the same procedures used for attorneys. The Front Lobby Officer will be responsible for entering the visitor's information into the Visiting Program.
- E. **Professional Visits:** Representatives of Law Enforcement Agencies, U.S. Parole Offices, U.S. Attorneys, Paralegals, Legal Assistants, and Mental Health Professionals performing court-ordered examinations will receive priority when processing. Representatives are to call and schedule their visits by contacting the inmate's Unit Team. The Unit Team will notify the S.I.S. office by memorandum concerning all pending law enforcement visits. Every effort should be made to schedule the visit during normal visiting hours. Requests should be called in at least twenty-four (24) hours prior to the proposed visit. If approved, Unit Staff will prepare a memorandum authorizing the visit and distribute copies to the Lieutenants' Office, Front Entrance, and Visiting Room. If the visit is requested during non-visiting hours, the Unit Team will attempt to accommodate the request insofar as time, security, and manpower constraints permit. Ordinarily, a 24-hour advance notice is required. Additionally, the visitation privilege will not supercede institutional security and orderly functioning by unnecessarily interfering with other institutional activities.

F. Visits to Offenders not in a Regular Population Setting:

1. Admission Status: Visits occurring after the initial 72-hour intake period will be limited to immediate family, pending verification of proposed visitors.

Inmates transferred from other federal facilities will maintain their approved visiting lists unless circumstances warrant a change. All visitors will be rechecked through NCIC.

2. Hospital Patients: Visitors requesting to see an inmate in the institution Health Services Unit will require the approval of the Captain and the Health Services personnel on duty.

Visits for inmates hospitalized in the community will be determined by the Warden or Acting Warden only. If a visit is approved, it will be limited to immediate family only. All visits will be subject to the general visiting policy of the hospital. An approved visiting list will be forwarded to the hospital officer(s).

3. Special Housing Unit: The Operations Lieutenant will be notified when an inmate in the Special Housing Unit has visitors. Each case will be individually handled. During the visit, inmates in Special Housing status will be under constant supervision of the Visiting Room Officer and will be seated at a designated area.
4. Holdover Inmates: The FCI and SCP are not designated as holdover facilities. In the event that a holdover inmate arrives, visitation will only be permitted for those individuals verified as immediate family members or attorney of record. A request to visit an inmate on holdover status must be submitted to the respective Unit Team at least one day in advance of the visiting date for approval. The visits will be conducted in accordance with the aforementioned provisions pertaining to Special Housing Unit inmates.

- G. Number of Visitors:** Only those visitors documented on the approved visiting list will be authorized to visit as previously described. Inmates housed in the FCI and SCP will be limited to five (5) visitors at one time.

- I. New Commitments:** During the first 72 hours, newly-committed inmates will not be allowed social visits until completion of an investigation of proposed visitors.
- J.** Inmate visiting at the FCI will be open to all inmates every day visiting is conducted. The visiting will occur on a first-come, first-served basis. Once the visiting room capacity has been reached, termination of visits will begin. The visits will be terminated based on the distance a visitor has driven, the length of time the visitor has been in the visiting room, and the relationship of the visitor to the inmate. The Operations Lieutenant or Institution Duty Officer will make the determination as to which visits will be terminated. This will be documented in the Lieutenants' Log and will be supported by a memorandum to the Captain.
- 1 Federal holidays: In an attempt to provide equitable visiting on federal holidays, all holidays which would result in a three (3) day visiting weekend will be open to all inmates at the FCI and SCP. The visiting room will be monitored.
 2. Non-federal holidays: For family holidays, (e.g., Easter, Mother's Day, Father's Day), the visiting room will be open for all inmates at the FCI and SCP.
 3. In addition to the above procedures, consideration will be given for allowing inmates who are related (e.g., brothers, father/sons) to visit simultaneously with one visitor. Prior approval must be obtained from the Unit Manager, Associate Warden of Custody, and the Captain prior to the visit. This will be documented in memorandum form, and a copy will be given to the Visiting Room Officers to be maintained in their area.
- K. Visitors Entering the Institution:**
1. Staff must be able to verify the identity of visitors prior to admission into the institution. One of the following forms of identification will be used for identification purposes: valid driver's license, government/state issued identification cards or passport.

Items of personal property may be required to be returned to the visitor's vehicle. VISITING REGULATIONS
VISITORS HANDOUT**

The following is an outline of the regulations and procedures governing visiting with inmates at the Federal Correctional Institution/Satellite Camp, Bennettsville, South Carolina. It is the philosophy of this institution that inmate contact (visits) with family and other professional persons will help an offender to plan a more realistic future for his return to society.

All visitors will enter the visiting room at the front entrance. Each visitor must provide appropriate valid photo identification, (e.g., driver's license, government/state issued identification cards, passport) before being allowed to visit. As a reminder, persons not permitted to visit may not remain in the institution or parking lot. Approved visitors will not be allowed to go to and from their vehicles unless it is to return an item which was refused entry. When you have parked your car, make sure it is locked and the windows are closed. Arrival at the institution parking lot prior to 5:00 p.m. on Friday and 8:30 a.m. on Saturday and Sunday is prohibited. Likewise, visitors may not line up at the visiting room door prior to 5:00 p.m. on Friday or 8:30 a.m. on Saturday and Sunday. Visitors will not arrive prior to the arrival times listed above on holidays based on the day of the week the holiday occurs on. Processing of visitors into the institution will end at 7:30 p.m. on Fridays and 2:00 p.m. on Saturdays, Sundays, and holidays.

A short embrace at the beginning of the visit and when it has terminated is the only physical contact which will be allowed. Any excessive display of affection between inmate and visitor which may tend to embarrass other visitors will not be permitted and could result in termination of the visit.

Each inmate is provided with an unlimited amount of visiting time during regular visiting hours with those persons on his approved visiting list, unless circumstances warrant otherwise. Only five visitors are allowed to visit at one time. The Institution Duty Officer and the Operations Lieutenant have the authority to terminate any visit due to improper conduct on the part of the inmate or his visitor(s), or for overcrowded conditions. Visiting room capacity, weather, frequency of visits, and distance traveled will be determining factors when a decision to terminate a visit is made. Children under the age of 16 will not be allowed entry into the institution to visit unless they are accompanied by an adult visitor. Adult visitors will be responsible for the conduct of children under their supervision. This includes keeping them within the authorized visiting areas. Inmates and visitors will be responsible for keeping their children quiet, so as not to disrupt others.

Visitors will not be allowed to bring in or give anything to an inmate. Visitors are not allowed to bring excessive items with them to visit an inmate (e.g., suitcases, large oversized bags, purses, packages). These items will not be brought into the institution. A small see-through coin purse is recommended with proper ID and no more than \$25.00 which will be placed on Debit Card for use in the vending machines. No cash will be permitted beyond the front lobby. Inmates are not allowed to receive food from outside sources. Visitors are not allowed to bring in food items or tobacco products. There are vending machines in the visiting room from which food snacks can be purchased. Individuals with medical problems which require them to carry medication into the visiting room must inform the Visiting Room Staff of their condition and receive permission to carry the medication into the visiting room.

Visiting is an extremely important family function, and dress code requirements are necessary to maintain the dignity of those involved. All visitors will be properly dressed when coming to visit. Visitors are not allowed to wear shorts at the Federal Correctional Institution and Satellite Camp. Visitors are not allowed to wear low-cut or see-through clothing, tube or tank tops, backless clothing, camouflage, khaki or green-colored clothing, sweat suits, dresses with slits above the bend of the knee, or any other apparel of a suggestive or revealing nature (e.g., skin-tight clothing, mini skirts, short culottes, or sleeveless clothing). Nylon jogging suits will be allowed. Visitors may be denied entry by the Operations Lieutenant or Institution Duty Officer for noncompliance. Excessively provocative attire is reason to deny and/or preclude visiting.

Only the following articles are authorized to be carried into the institution by visitors:

- (a) Wallet or small clear plastic bag
- (b) Debit Card.
- (c) Coat during cold weather.
- (d) Essential medication (will be limited to the amount needed during the visiting period and controlled by the Visiting Room Officer)

- (a) Four (4) Diapers
- (b) One (1) package of baby wipes (unopened)
- (c) One (1) change of infant clothing
- (d) Two (2) baby bottles with contents (clear)
- (e) Two (2) small jars of baby food (clear)
- (f) One (1) receiving blanket
- (g) One (1) see-through drinking cup
- (h) One (1) baby spoon

Pillows, blankets, or strollers will not be allowed. Inmates may not receive money through the visiting room. All monies for an inmate must be received through authorized channels.

Cameras, recording devices, pagers, cell phones, pens/pencils, makeup of any kind, perfume, or toys will not be allowed into the institution. Photographs, newspapers, or magazines will not be permitted. Photos will be taken at a nominal charge by an approved group.

Visitors entering the institution may be subject to a search of their person, property, and packages. Anyone refusing this search or refusing to sign a Notification to Visitor form (Title 18) statement in English or Spanish will be refused entry into the institution. The visitor must sign this form in the presence of a staff member. A visual search will be made of all carry-in items of a visitor. The visitor will be present during the time all items are being searched. All visitors will be subject to a search by the ION Drug Detection Unit. Any visitor refusing to be tested by the ION Drug System will not be allowed to visit. All visitors must successfully pass screening with a metal detector prior to entrance into the institution. The Visiting Room Officer will not store any items for visitors or inmates. All refused items must be returned to the automobile for storage or secured in visitor locker. It is a Federal crime to bring upon the institution grounds any firearm, destructive device, ammunition, other object designed to be used as a weapon, narcotic drug, controlled substance, alcoholic

beverages, currency, or any other object that threatens the order, discipline, or security of a prison, or the life, health, or safety of an individual without the knowledge and consent of the Warden.

As a reminder, on Saturdays, Sundays, and Federal Holidays, the institution will conduct an official count. All visitors must be completely processed through the Front Lobby by 9:15 a.m. Arrival of those visitors who are not processed at 9:15 a.m. will result in a delay until the official count is clear.

Section 1001, Title 18, U.S. Criminal Code states that "the penalty for making a false statement is a fine of not more than \$250,000.00 or imprisonment of not more than 20 years, or both." Furthermore, Section 1791, Title 18, U.S. Criminal Code provides a penalty of up to 10 years in prison for any person who introduces, or attempts to introduce, into or upon the grounds of any penal or correctional institution, or takes or attempts to take, or send therefore, anything whatsoever, without the knowledge and consent of the Warden.
